

FLOWERS AT WEDDINGS

HOLY TRINITY, ASHBY DE LA ZOUCH.

We are delighted that you want to get married at Holy Trinity. We hope and pray that you will have a wonderful day.

To enable your day to go as smoothly as possible we have prepared these guidelines (and the simple agreement) so that everyone knows where they stand.

Please provide your own arrangements or arrange for a florist to work for you. Holy Trinity does not provide wedding flowers (since our long standing florist Margaret Tate retired from this role in 2011).

REMOVAL OF FLOWERS

If you want to keep any flowers, please arrange for them to be removed after the Wedding Service. If you would like to leave the flowers in church, the church will be glad to arrange for the disposal after appreciating them during the subsequent services and events.

If pew ends are left in church, they will be appreciated by all who use our building. In due course they will be removed from the building.

COLOUR SCHEMES

You are welcome (of course) to choose any colour scheme for your Wedding. Our church walls are magnolia and our carpet is blue.

Many weeks of the year church member provide flowers for our chancel (the area at the front of church behind the blue metal screen). These are

arranged, in advance, on a Rota basis. If you would like the flowers in the chancel to have a similar colour scheme to your wedding, please use this form to let us know at least six week in advance of the wedding day. Our flower team will then do what they can to match the scheme.

On the occasions when we have more than one wedding close together we will arrange for the flowers in the chancel to be neutral (i.e. cream or white). You will not be notified in advance if this is the case.

ACCESS

Holy Trinity is open from 8:00 a.m. to 6:00 p.m. on a daily basis. If you (or your florist) are coming to work in the church,

please check the church calendar and phone the office.

The Church calendar can be found on the internet (trinityashby.net) or in the church magazine (available at the back of church). If it looks like the church is not booked when you want to come, please contact the parish office on 01530 412339 or office@trinityashby.net to confirm that you would like to use the building for arranging flowers. The reason for checking with the church office is that various people and groups make late arrangements to work in or make use of the church building.

OTHER NOTES

We are unable to offer pedestals – please arrange for your florist to provide them (and remove them with the accompanying flowers).
